## "WHY ARE THEY RUNNING FOR COUNCILLOR" ?

### An Invitation

We have invited all candidates running for councillor to speak at a public address to all our citizens on:

Tuesday June 26th  
8:30 p.m.  
Community Hall

This is the day before the elections

Each candidate will have a five minute period to explain to you why he is running for councillor. If more time is available, you as audience, will have a chance to submit written questions to any candidate, which will be answered by them during the meeting.

This evening is completely organized for the purpose of serving all our citizens by providing for them a pure democratic opportunity to see and hear the candidates on the evening before the election. Now at least all of you can know what reasons the candidates had to run for councillor if you have attended this meeting, which will be of great help to you in your choice of casting your ballot.

Our sincere thanks to the Directors of the St. Albert Community League, who supported this meeting by donating the Community Hall.

## civic electors association

### PUBLIC MEETING

Thursday - June 21st  
8.30 P.M.

S.T. ALBERT-COMMUNITY-HALL

## Vote As You Please But Please Vote

CIVIC ELECTION ON JUNE 27

for 6 Councillors

### RESULTS FEDERAL ELECTION ST. ALBERT

Total votes : 1779  
Progress Conservatives: 715 (40%)  
Liberals: 630 (35%)  
Social Credit: 313 (17%)  
New Democratic Party: 121 (7%)

### NOTICE TO OUR READERS

Due to the fact that the week before the St. Albert Civic Elections will be very busy we will not be publishing this week the editorial regarding Mr. Hockee statements about the County System. We hope to deal with this very important topic within a few weeks.

### ATTENTION

Next issue of the St. Albert Gazette is to come out on Tuesday, June 26 (the evening before the elections)

It is far less costly in lives, hopes, dreams, and money, to vote, than it is to undo the harm done by incompetent or selfish administrators out to serve their own ends. Every woman knows that "a stitch in time saves nine".

The Building Inspector's Report showing the total residential dwelling permits as at the end of May, 1962, to be 198, and the total value of permits to be \$2,443,780.00, was presented and received by the Board.

The fire Chief's Report for the Month of May, 1962, showed that all fire equipment and apparatus had been checked and found to be in satisfactory order. There were 31 permits issued under By-Law No. 2/60, and four Fire calls received. All hydrants were checked and numbered and were painted different colours to distinguish the different sizes of water mains.

Authorization was given to the preparation of a Re-plotting scheme of Registered Plan No. 1432 A.X.

The Meeting adjourned at 6:00 p.m.

**ANGLICAN NEWS**

Confirmation was held at St. Matthew's Anglican Mission on June 13th. Right Rev. W. Gerald Burch, Bishop of Edmonton confirmed 6 young people at a beautiful and well-attended service. Those confirmed were: Linda Lovatt, John Whitton, Donald Raymond, Randolph Brothen, Garry Jones, Glenn Jones. A reception was held after the service. During July and August, services will be held on the first and third Sunday of each month at 11 a.m.

**PIANO RECITAL HELD**

On Sunday evening, June 17, the piano pupils of Mrs. P. Upright presented a recital for their parents at Mrs. Upright's home. The students ranged from beginner to student teacher, and those taking part were: Linda Kittlitz, David Upright, Susan Filuk, Ian Walker, Jamie Gates, Michael Ross, Nancy Huston, Ken Bird, Irene Shultz, Dilys Casaidy, Susan McGee, Marilyn Kittlitz, Elaine Cuts, Sandra Barry, Sandra Bird, Richard Goodkey, and Jean Hughes.

Guest performer was Margot Ostergard, recent winner of the Sunwapta Broadcasting Company Scholarship for Speech Arts at the Alberta Musical Festival.

W.I. LADIES WIN PRIZES

The Constituency Conference of the Women's Institute District #2 was held on June 9 at Pleasantview Hall with 11 of the Branches present.

Maripite took the Handicraft cup with 46 points. St. Albert was tied for second place with Brighton and Fort Saskatchewan, each with 46 points. The St. Albert Branch entered in all 14 classes, taking 14 prizes of which they, I'm sure, are very proud. The following are prizes, won by the St. Albert Ladies.

Mrs. R. Rosseiter - 2nd for an infants jacket and bonnet set; Mrs. J. Haatler - a first for a child's bulky knit cardigan. Mrs. S. Billings - 1st for a tatted edge on a handkerchief. Mrs. A. Labelle - 2nd for a braided rug made from salvage material; Mrs. L. Shaw - 2nd for a child's garment remade from used wool; Mrs. G. Dalman - 1st for a blouse. Mrs. R. Rosseiter - 3rd for a cross-stitch tray cloth. Mrs. G. Dalman - 1st for drawn thread work. Mrs. J. Meleshko - 3rd for a petit-point picture; Mrs. G. Vague - a lat for basketery.

In the special for members over 70 years of age. Mrs. R. Rosseiter took 2nd for knitted socks, 1st for a child's stuffed toy and 1st for a crocheted article. Mrs. H. Coleman took 2nd for an embroidered article.

If the ladies can take 2nd this year, I see no reason why they can't really outdo themselves next year and take first—the cup!

PROTESTANT SEPARATE SCHOOL NEWS

## School closing dates:

Grades 1 to 6 - June 29th at noon

Grades 7, 8 & 10 - June 22nd

Grades 7 and 8 can pick up their report cards at the school June 29.

Staff appointments are completed, and include a Physical Education Specialist. Next year Sir Alexander MacKenzie will accommodate grades 1 to 11 and Sir Geo. Simpson grades 1 to 8. Buses will be utilized, either for year-round transportation or just for Shop and Home Ec. classes.

Dress regulations have suspended the wearing of sweaters by girls in the school but blue jeans, round-necked T-shirt and slacks for girls, have not been repealed.

School hours will now include a 1½ hour noon lunch hour; other changes, registration dates and school opening will be announced sometime during the summer.

BARNETT HOUSE OFFICIALLY OPENED

Saturday, June 16, marked an event of interest to all people interested in education, and the teachers of Alberta in particular. This was the officially opening of the new Barnett House, home of the Alberta Teachers' Association.

**St. Albert Gazette**

Teachers and educationists not only from Alberta but from points as distant as Vancouver gathered in the beautiful auditorium during the brief opening ceremony, following which, guests were free to tour the building before re-gathering for tea in the auditorium.

The building itself houses the numerous offices of the provincial A.T.A., a modern printing shop, a research library, several conference rooms, office space for the Edmonton and Separate School locals, and the teachers' superannuation department. As one tours the building one is impressed both by the beautiful simplicity of the architecture and furnishings, and the extremely functional nature of both building and equipment. This place is designed primarily for use—but it is a pleasant place with its wide windows, sweeping views and fountain pools framing the entrance to the vestibule.

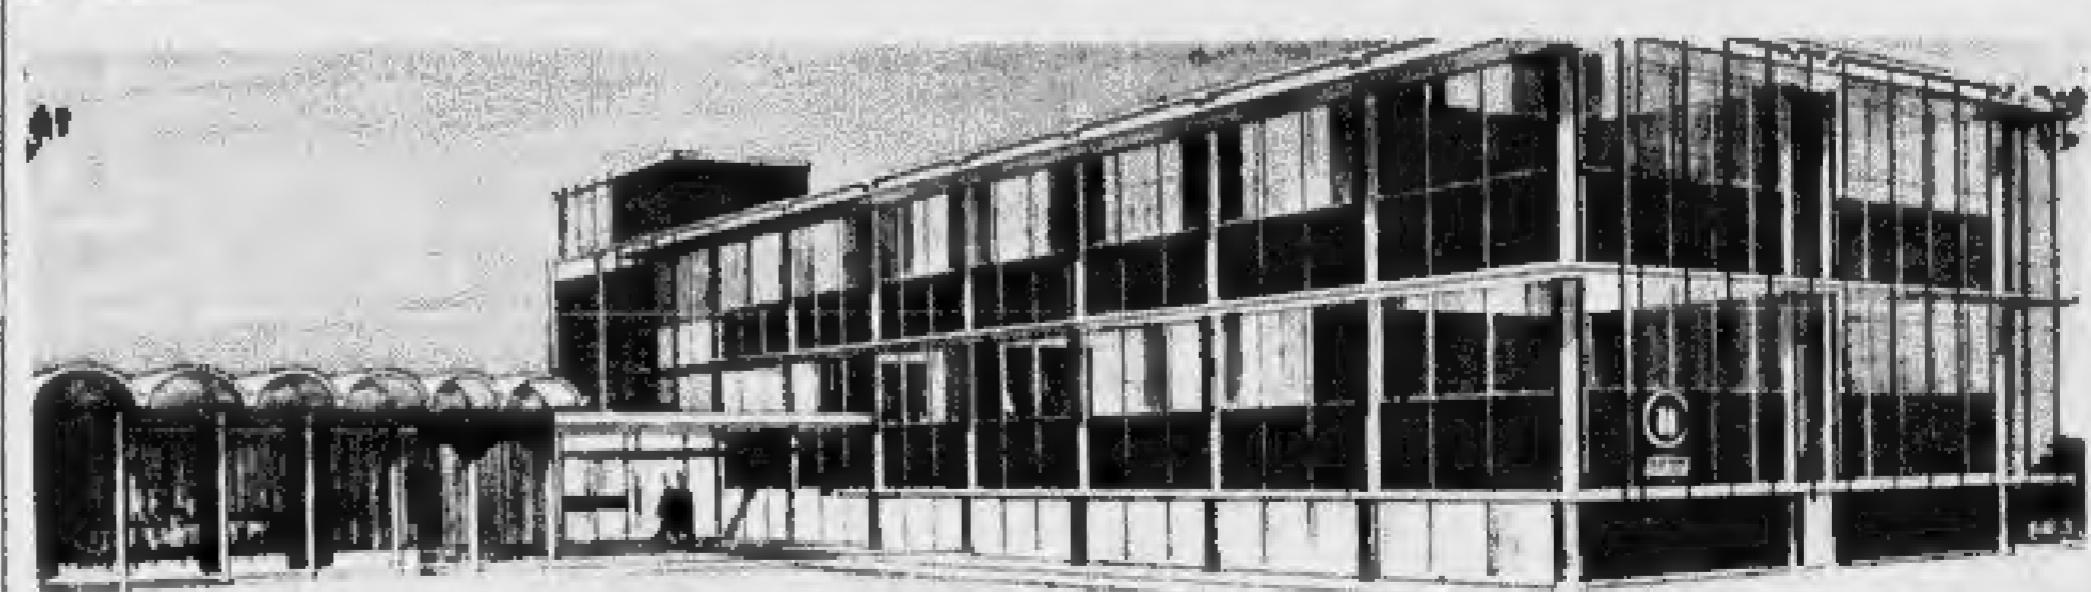

To those steeped in the traditions of the A.T.A. who appreciate what this organization has done not only for the teachers of Alberta, but for Education generally, two items of interest are predominant. One is the portrait in oils of the A.T.A.'s first general-secretary, the late Dr. John W. Barnett. The other is the "Commemorative Plaque" which bears these words:

This building, which bears the name of Dr. John Walker Barnett, the first general-secretary-treasurer of The Alberta Teachers' Association, was officially opened on June 16, A.D. 1962 by a distinguished life member of the Association, His Honor Dr. J. Percy Page, Lieutenant-Governor of the Province of Alberta.

John Barnett's courage and vision were essential elements in the formation of the teachers' organization to which he gave his boundless energies from 1918 - 1946. In a very real sense the functional design of the structure reflects the practical spirit of the man whose name it bears.

Barnett House stands as a symbol of the important part played in our society by the teaching profession.

As teachers, we dedicate this building to Alberta's most important, most exciting and most loved asset—its children.

Among the honourable guests was Mrs. J. W. Barnett, widow of Dr. Barnett, and her daughter and son-in-law Dr. and Mrs. W. D. Cuts of this town. Dr. Cuts, well known medical doctor is presently a candidate in the forth-coming election. His wife, Mrs. Ethel Cuts, is a school-teacher in Bonnie Doon Composite High School Edmonton. Mrs. Barnett is a regular weekly visitor at their St. Albert Residence.

# Greg. Lindholm Wins 'Bug' Race

GREG LINDHOLM  
Winner St. Albert Soap Box Race 1962

SOAP BOX DERBY A SUCCESS

St. Albert citizens Sunday witnessed a breath-taking and thrilling competition between several local and district boys. Fourteen boys had worked long hours on their Bugs and Sunday was the Showdown. An impressive, and very impressed, crowd lined the Church Hill to root for their sons, or neighbours, or friends, or the "most promise-looking fella!" They were given a good show and all comments were favourable.

The races began at 1:30 with the testing of brakes. Each boy made a trial-run, had an opportunity to try out his brakes (and the hay berrier!) and were timed. The timing, however, was not relevant to the race.

After two accidents, one repairable, the other not, the real competition began.

Testing period before the races.

pity, and spectators extended their sympathy to the boys whose efforts were destroyed before the race even began, or before they had even had a chance. The two "fatalities" must have been heartbroken when their hard work and their dreams "went up in smoke" or rubbed off onto the curb, as it were! We know, and they know, that next year they're going to be in there fighting and possibly, victorious.

Among the spectators were a number of residents of the R. C. Rectory and the Star of the North, as well as from the Old Folks Home.

Also making his presence known was Mr. J. Harper Prowse, Liberal candidate for Edmonton West, who attended our races. Mr. Prowse spent most of the afternoon kissing babies and shaking hands right and left all along the tracks!

The Ladies Auxiliary to the Legion is to be congratulated for the admirable way in which they handled the Refreshment stand—while they had refreshments in, that is! It seems that a larger crowd than were expected attended and provided more business than the ladies could handle!

The weather was perfect, the crowd was sizable, and the performance was remarkable. But one other thing helped to make the afternoon a success. I'm sure that many of the spectators would have left during the long intervals between laps had it not been for the pleasant backgrounds, the restful, yet tense and excited air and the St. Albert beauty that made the Church Hill our choice

ARMANDO KAPPILA had bad luck, he also crashed into the curb.

location for the races. The scenery to be viewed from that Hill helped us to forget that the time could have dragged or that our feet could have been sore. A Soap Box Queen had been chosen at a Teen Dance the night before and attended the races, or should we say presided? Lovely, and thrilled, Miss Gail Brewster wore her crown with the dignity of a queen (not fair! Brewster's also got to sponsor the winning car!!) The prizes were all sponsored and provided by the Northwestern Utilities Ltd

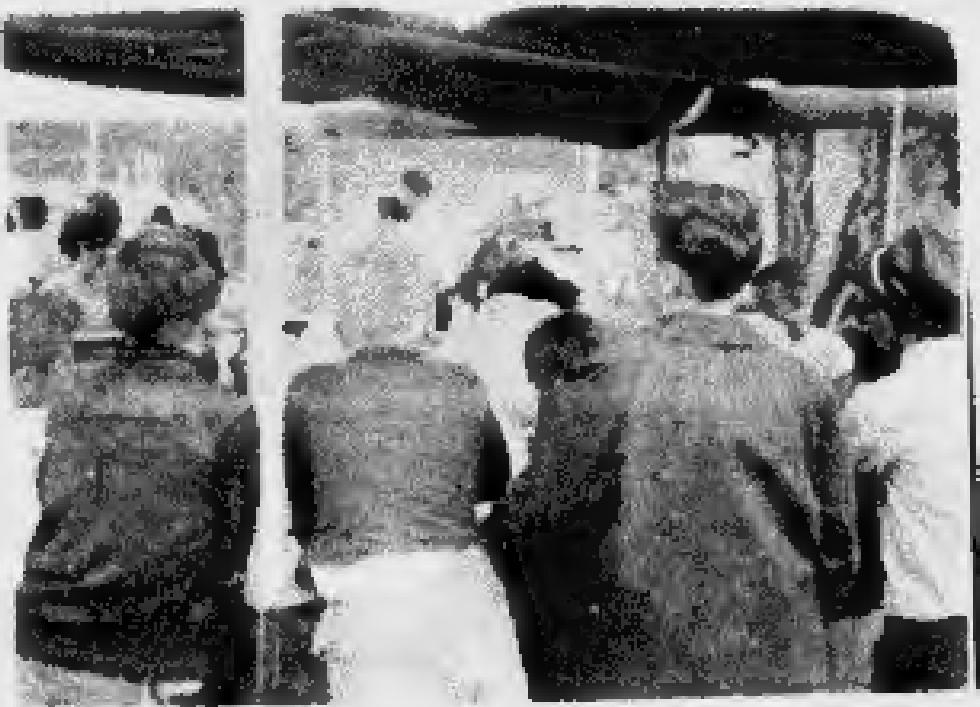

THE JURY (high in the air) did an excellent job. From left to right: Mr. W. M. Scott, Mr. George Skinner and Mr. Austin Bradley.

Racing in two's, the boys eliminated—until the winner, Greg Lindholm, alone remained.

This year's Soap Box Derby was organized by Mr. George Skinner, Mr. Austin Bradley and Mr. W. M. Scott. It was sponsored by the Royal Canadian Legion. The boys racing and their sponsors were as follows:

1. Darryl Schwartz - S.A.M. Home and School Association, St. Albert.
2. Robert Brodeur - West Star Bakery of Edmonton and Flamemaster Ltd. Edmonton.
3. Peter Chimko - Letourneau Brothers Construction, St. Albert.
4. Greg Lindholm - Brewster Construction Ltd. St. Albert and Husky Sheet Metal Ltd. Edmonton.
5. Earl Anderson - Voyer's Sheet Metal, St. Albert and Willowbrook Homes Ltd. St. Albert.
6. Patrick Waugh - Shypitka Xmas Trees Edmonton.
7. Collin Lamoureau - Goodkey's Variety Store, St. Albert and St. Albert Barber Shop, St. Albert.
8. Earl Chimko - Kaysan Agencies, St. Albert and Canada Safeway Ltd. St. Alb.
9. Marcel Gravelle - Valley Lines, St. Albert, and Rand L. Marine Co. Ltd. Ed.
10. James Pudlowski - Hobby Lobby, St. Albert and The Bruin Inn, St. Albert.
11. Ken O'Flaherty - Alladin Construction Ltd. St. Albert and National Concrete Block Ltd. Edmonton.
12. Armand Kaupilla - Custom Hoist Truck Body Ltd. Edmonton, and Veness Service Station, St. Albert.
14. John Netelenbos - St. Albert Gazette.

The busy "Refreshment Stand" with The Ladies Auxiliary to the Legion in charge.

and Hector Hebert Construction Ltd. St. Albert.

15. Norman Waugh - Hebert & St. Martin Const. Ltd. St. Albert and Kam's Accounting Services, St. Albert.

Winner was Greg Lindholm who won a big, beautiful trophy, a wrist watch and an all expense paid trip to the Western Canadian Soap Box Derby at Mission City in B.C. Runner-up was James Pudlowski who received a trophy and an Axe and Knife Set. The Second place A event was won by Collin Lamoureau; B event was Marcel Gravelle. Each of the boys won Flash Camera Outfits as second place prizes.

The prize for the best designed Bug was Earl Anderson's and the best Upholsterer went to Darryl Schwartz. Peter Chimko, who had had a bit of brake trouble and crashed into the curb, won the Hard Luck Prize. He received a baseball glove along with a number of bruises. He had been taken to the hospital, but a sling

## St. Albert Gazette

on the injured arm was all the necessary doctoring. Peter received a very sympathetic round of cheers on his return. Armand Kaupilla didn't fare so good. His was one of the accidents occurring during the afternoon. He, too, lost control of his wheel and bounced off the curb. He did not receive any injuries. These boys must be commended for their many hours of hard work. Some of them began working on their cars as far back as Christmas. Their Bugs certainly advertised much time and effort.

### UNWANTED HAIR

Vanished away with SACA-PELO. SACA-PELO is different. It does not dissolve or remove hair from the surface, but penetrates and retards growth of UNWANTED HAIR. Lor-Ber Lab. Ltd., Ste. 8, 679 Granville St., Vancouver 1, B.C.

### TEEN TO TEENERS

Thursday, June 7, the Sir Alexander Mackenzie Students Union successfully held a Summer Sock Hop to end the school year on a gay note—and to herald those abominable examinations in. The gymnasium was decorated with live trees and gay-colored streamers. The dancing was provided by records brought

DR. C. McTAGGART  
Shoppers' Park, Westmount

## CHIROPRACTOR

PHONE GL 5-3542

by the students. Lunch of cokes and cakes and cookies was supplied by the girls. The dance ended early because all of the students were participating in a Track Meet the following day.

Although they charged nothing at the door, the dance was closed to the students of SAM and their guests, so a very nice crowd attended.

Saturday my girlfriend and I went in to Edmonton to see an afternoon show and to do a little shopping. As we passed a well-known jewellery shop, I decided now was my opportunity to get my ring enlarged. (It was my new school ring and so tight it nearly choked me.) We stepped in and while I was in the back part soaking my finger to remove the ring, my friend broused around.

I suddenly thought to ask the cost of the simple alteration and was just astounded. I didn't have as much as the lady asked so I suggested I get it done another time. Immediately the manager came over and asked the reason for the uproarious commotion. I said that

## civic electors association

I was born in the Town of St. Albert on October 8th, 1918, of Pioneer Parents. Most of my education was received here, and I finished my high school in Edmonton. In the year 1948, I made my first bid for public office and served as a Councillor until 1951, when I was elected "Mayor". This position I held until 1957 when we successfully changed our status to "Town". I was then named Chairman of The Board of Administrators, which position I still occupy. From 1952 to 1955 I served as a Divisional Trustee for the Sturgeon School Division and played a part in the planning and building of the High School. During my years of service as Councillor, Mayor and Chairman, the Town has benefited from the installation of a water and sewer system, paved streets, sidewalks, fire-fighting system, and a highly accelerated growth in construction, etc., resulting in many other benefits for urban living. These, and many other things have been accomplished without sacrificing unity of purpose in our community. I would be very proud indeed to have the electors of St. Albert favor me with their support and confidence in electing me as their Mayor on June 27th.

William Veness.

In soliciting the support of the electors of the Town of St. Albert in the forth-coming election, I wish to state that I support the platform and candidates of the Civic Electors Association. If elected, I will endeavor to see that your tax dollars are expended wisely, and for the benefit of the entire community of St. Albert. I can promise you that at all times I will work for sound and efficient town administration. I am an accountant by profession and have had fourteen years experience in various supervisory capacities. I believe this training will be a definite asset in guiding me to accurate decisions if elected to Council. My family and I have been residents of this town for the last two and one half years and believe this is an excellent community in which to raise children to become good citizens.

John deBrujin Jr.

The councillors that you will be electing on June 27th, plus Mayor Mr. William J. Veness, will have the responsibility of providing you with sound administration, wise financial handling and adopt constructive and practical policies that will benefit all residents of St. Albert. For this reason I endorse wholeheartedly the platform and candidates sponsored by the Civic Electors Association. To inform you of my personal history and qualifications I submit as follows. I am 37 years of age, married, and have one daughter, and since December 1, 1961 have been appointed as representative of a local real estate firm. In 1957 I was attracted to this growing community, and built my home in the Mission Park subdivision. In Dec. 1st 1957, I was employed by the Town as Assistant Secretary-Treasurer and later as Chief Clerk. During this period I successfully completed a three year course in Municipal Administration offered by the Department of Extension of the University of Alberta. This training and the four years of employment with the Town has given me the opportunity of dealing with most phases of town administration and to familiarize myself with procedures and policies adopted by the Board of Administration. It pre-feels that the experience I have gathered during my employment with the Town will be beneficial to the sound administration of our community. I respectfully request that you support me and the candidates of the C.E.A. on June 27th.

Bernard Montpetit.

I was born in Montreal in 1931 and raised and educated in Toronto. I moved to St. Albert in 1958. As an employee of a large Canadian manufacturer firm for 10 years, I had the opportunity to organize and establish new branches and outlets in Eastern and Western Canada. In 1961 I was approached by a local transport company to occupy the position as general manager. I feel that this experience will be of great assistance to help me to fulfill the position as councillor. As a member of the St. Albert Lions Club I had the privilege to serve as president in 1960 - 61. I am married and have 4 children. I ask your support by means of an "A" behind my name on June 27th.

Ed. Powell.

In yesterday, June 27th you shall be called upon to elect six councillors to assist incoming Mayor Veness in the administration of St. Albert. You will no doubt choose men who have proven themselves in their respective occupations - men of ability, integrity, and sound community vision. Your elected representatives will then be called upon to administer and guide the development of St. Albert, and your civic affairs. During my ten year tenure in St. Albert I have become deeply attached to the many fine people who make up this community. I have also become aware of the many facets and complex problems which face our local civic administrators. With these views in mind I wish to submit my every effort and ability to fulfill the office as a corrective councillor in our local civic government. In conclusion I would strongly urge all citizens in St. Albert to exercise their democratic right to vote. Become familiar with the backgrounds and abilities of prospective candidates. Investigate and inquire regarding their capabilities and abilities to serve St. Albert and you towards a united improvement St. Albert.

Walter A. Scrobat.

I am one of the candidates for Councillor in the forthcoming civic election, running under the auspices of the Civic Electors Association. I have had a wide and varied experience in public health administration at all levels of government and this experience should be reflected to me in meeting my responsibilities as Councillor if chosen by the electors of St. Albert. I have been connected with the St. Albert area for more than five years as medical officer of Health, Sturgeon Health unit 1957 - 61 and have been a member of the board for the past three years. During this period I have been instrumental in the development of our community. Since graduation in 1948 I have had experience in general practice, military and civil aviation medicine, and have specialized interests and post-graduate training in public health. During these fourteen years I have gained considerable experience in administration, legislation and organization. At present I am engaged as regional Medical Officer, Foothills Region, Department of National Health and Welfare. I endorse the platform which has been endorsed by the executive of the Civic Electors Association and give an undertaking to serve all electors of St. Albert. If I am elected, to the best of my ability.

John Stewart.

Just months ago the voters elected me to the Board of Commissioners of the New Town of St. Albert. I now present myself as a candidate for council for the town of St. Albert. I am 31 years old, have lived here for the past 3 years, am married and have 1 child. During the past 7 years I have been employed as a territory manager by John Deere Ltd. I spent over a year in sections of both the oil and gas industry, the administration of trucking business's and to promote the sale of the company's products. I have personally had experience in the purchasing and accounting departments of numerous large oil and trucking companies as well as the University of British Columbia in the faculty of Agriculture. I have also received 3 special courses in municipal administration. I have previously been a member of the road committee, both as a board and as a group committee chairman. I am a member of the St. Albert Common League. I am happy to have been asked to run as one of the candidates in the St. Albert Civic Electors Association. I sincerely thank the members mentioned in this paper, in asking for your support at the polls on June 27th. I respectfully ask you to support all the members of this group.

John Stewart.

\*\*\*\*\*

WHO PAID FOR THIS ADVERTISEMENT  
\*\*\*\*\*

C A N D I D A T E S C I V I C E L E C T I O NSYMPHONY TO BE HELD

We have invited all the candidates running for councillor in the coming civic election, June 27, to address publicly the citizens of St. Albert. The content of the letter was as follows:

Dear Sir:

We have invited all candidates running for councillor to speak at a public address to citizens of St. Albert on Tues., June 26 at 8:30 p.m. the evening before the elections. We hope that you will accept our invitation, which means that you will have a five-minute period without debate to explain to the citizen of St. Albert why you are running for councillor. If more time is available, the audience will have an opportunity to submit to you their written questions.

Editor.

We as citizens of St. Albert who will be voting on June 27 have a wonderful opportunity and duty to meet our candidates, and none of us should shirk it. Each of us likes to find out personally to which candidate we intend to give our vote, which is a healthy democratic custom.

Don't forget, attend "Meet Your Candidate Night" the evening before the elections, Tues. June 26, at 8:30 p.m. in the Community Hall.

Joseph Meleshko, a Pharmacist and Resident in St. Albert, is an Independent candidate as Councillor in St. Albert. He is married, with two boys three and seven, was born, raised and educated at Radway, Alberta.

He is 35 years of age and is operating St. Albert Pharmacy Ltd. in St. Albert for the past six years. He received a Bachelor of Science in Pharmacy degree from the University of Alberta in 1953.

Mr. Meleshko is an active member in a number of St. Albert Service Clubs such as the St. Albert and District Chamber of Commerce. He is keenly interested supporting sports and 4-H Club activities in St. Albert.

Joseph understands the problems of the small businessman and the household in general and is ready to serve us. Mr. Meleshko has always been interested in the progress of St. Albert and will continue to promote the growth of the Town when elected as Councillor.

I have lived in St. Albert for about 1½ years in the Sturgeon Heights Area. I am married and have five children. I am now self-employed as a welder. Prior to coming to St. Albert I was connected with the construction business in B.C. Since living in St. Albert I have been interested in the activities going on, particularly those pertaining to street building, water and sewer, parks and recreation facilities. I am interested in seeing that when the town has limited fund that they are used for necessities and that money we haven't got is not spent on things that could wait for awhile. It is fine to want everything, but do we want higher taxes, etc., to help pay for the unnecessary?

If elected to Council I will give these matters my wholehearted attention.

F.D.Tucker

In discussing the forthcoming municipal elections with many electors and candidates, it would appear that many and varied small "issues" predominate in their thinking. Issues can only mean controversy, and too much controversy amongst our elected representatives will only lead to a slowing down of the processes required in our administration.

Each and every citizen in St. Albert has a democratic right to fair and equal representation on our council regardless of race or creed.

We as electors have a duty to carefully examine each candidate and ask ourselves "Can I trust this person to act as my representative in a completely unbiased manner without fear or favor of any small splinter pressure group?" This is "the" issue which will be resolved by us next Wednesday and it is a moral one. God willing, the hospital, the swimming pool, playgrounds, planned development and continued prosperity will be achieved in our town, but the way in which they are achieved must be with wisdom, co-operation and integrity. We, either as individuals or municipalities, naturally yearn for an improvement in our way of life. As individuals, our acquisitions are governed directly by our personal economic situation. The same applies at the municipal level. Think twice before marking your ballot next Wednesday.

A. Donais

and that I will be at the Town Hall, Piron Street, on Wednesday, the TWENTY-SEVENTH day of June, 1962, at Ten O'clock in the afternoon, sum up the votes and declare the result of the Election.

Given under my hand at St. Albert, this FOURTEENTH day of JUNE, 1962.

G.A. Parkes  
Returning Officer.

# AIR FORCE DAY RCAF STATION NAMAO SATURDAY JUNE 23, 10. AM to 6.00 PM

## AIR FORCE DAY AT NAMAO, SAT. JUNE 23

Over thirty RCAF planes, varying from the largest to the smallest, the fastest to the slowest, will be on display at RCAF Station Namao, ten miles north of Edmonton, on Air Force Day at the large air transport command station. Air Force Day, Saturday, June 23, is a full two months earlier than last year's 'open house'.

The RCAF has planned to accommodate 5,000 visitors and 16,000 automobiles from 10 a.m. to 6 p.m. The heaviest traffic is expected shortly before the air show begins at 2:30 p.m. Early visitors will have the best opportunity to get some of the aircraft display off the ground, including the supersonic CF-104 Voodoo interceptor, which is the first supersonic cantilever fighter.

The Canadian aerobatic team will highlight the air show, since they formed four years ago. The Golden Hawks will fly their eight Mk. 1000 jets at a rate of 2 G's per loop. At the site there will be more than 1,000,000 thrilled spectators. Led by Squair Leader Al Ubbari, a native of Selkirk, Manitoba, the team will give a display of formation loops, roll-over's and the now-famous 'barrel roll'.

The Jet Knight, a solo performer of aerobatics, returns for the second time in his scarlet T-33 jet trainer, flying Officer Dave Barker, of Lakeview, Alta., will carry out sixteen maneuvers within the confines of the airfield during his twelve-minute show. This is a most difficult feat in a high-performance jet as normal turns often carry jets many miles from their starting locations.

The Yellow Hornets, a formation-flying team of instructors from RCAF Station Penhold, near Red Deer, will fly their five Harvards in a series of tight maneuvers and at very low altitudes. Spectators will recall Second World War "dogfights" when they see the Yellow Hornets in action.

Air Transport Command planes in the air show include the Yukon, CL319 Hercules, Cosmopolitan, CL119 Flying Boxcar, DC3 Dakota, Expeditor and Otter. The four-engined turboprop Yukon completed a record 5640 mile non-stop flight over the ten provinces and two territories earlier this month.

Two anti-submarine patrol aircraft from Maritime Air Command will be displayed. The large Argus, a four-engine flying laboratory which requires a 10-man crew, will do a short field take-off and demonstrate the aircraft's capability of flying with only two engines. The Neptune will also fly at Namao on

Saturday, June 23, and will surprise many with its speed. The twin-engined aircraft which patrols Pacific waters has two auxiliary jet engines to assist it on take-offs and to gain speed when attacking subs sighted from great distances.

The CF-104 Starfighter, which has been flying from Namao since mid-May while runway construction takes place at Cold Lake, is bound to catch the attention of most of the younger set. Often called 'the missile with a man in it' the Cf-104 is the RCAF's fastest aircraft. The seven-foot wings often cause people to comment, "How can it fly?"

Other attractions at the air show include the popular para-rescue jumpers, helicopters, the amphibious Albatross & formations of mixed types of planes.

Three ground displays will be located on the second floor of the centre section of the cantilever hangar. The Survival School's display of North American wildlife and the demonstration of parachute packing attracted over-flowing crowds last year. A group of panels showing the operation of electrical and other main systems of the CL30B Hercules will be on view. These trainers vividly depict the operation of various systems which are contained within the aircraft structure.

Inserted by : Sturgeon Heights and Breaside Committee

everything was fine and that I could get the ring fixed at my own jeweller's in St. Albert.

Well, the row that followed!

"What's the matter, young lady? Don't you like our prices?"

"It's not that, sir. It's just that I didn't realize it would cost so much and I haven't that much."

"No trouble there! We'll do it for you for.....\$2.00?"

"That's fine. I'll get it done in St. Albert."

"\$1.75 ?

"No, It's O.K."

"\$1.50. We'll have it ready for you by 5:00. Your name?"

"I said, that's fine. I'll get it done in St. Albert."

"Just \$1.50. Even he can't do it for that."

"Oh, but I can't wait until 5:00.' I wait?"Sure we can, sure we can. Maybe you drive a hard bargain, miss. I'll do it for you for \$1.75. If that.....mutter,mutter....Perhaps you'll bring your friends here? Hummm?"

"\$1.75 it is. Can you do it while

I can sell you a wrist-watch? A clock? Hummm?????

Yeh, hummm? Now, what was it that I once heard someone say? About grass on the other side of the fence and finding your treasures in your own back

A MESSAGE TO ALL THE ELECTORS LIVING  
ON THE EAST-SIDE OF THE ST. ALBERT TRAIL.  
(BREASIDE and STURGEON HEIGHTS)

You are entitled to a solid representation on the Town Council. Past years have proven that only "ONE" out of the five BOARD-MEMBERS was living on the East Side of the St. Albert Trail, although Breaside and Sturgeon Heights represent around 40% of the total Town population. To assure a good representation for BREASIDE and STURGEON HEIGHTS in the new Council we urge all electors living on the East Side of the St. Albert Trail, to give their vote to

CHRIS GATES

and

JOHN de BRUIJN

John de Brujin is a candidate of the Civic Electors Association

- x Both men have a broad understanding of the Town requirements
- x Both men have top administration abilities.
- x Both men are living on the East Side of the St. Albert Trail

Our Wants and Needs, such as:

- x Playgrounds for our Children.
- x Swimming Pool for children but also for Adults.
- x Supervised Sports.
- x Recreation.

will be "diligently" and "intelligently" applied for.

CUTS, W X

## Fellow Citizens:

We believe that sound experience and effective participation in community work are important qualifications for a member of a town council. Because of this we solicit your support for Dr. William Cuts for councillor in the forthcoming civic election. We are therefore submitting the following summary of this candidate's work in the Town of St. Albert.

### Participation in Community Work:

1. Helped organize first playground in St. Albert.
2. Helped organize and raise funds for the first curling rink.
3. as on the executive of St. Albert Community League.
4. as president of the earliest board of Trade.
5. as on the executive of St. Albert Skating Rink Association.
6. has been a member of the Lions Club with ten years perfect attendance.

7. On three occasions was chairman of fund raising committee for Guides and Scouts; raised over \$1000.00.
8. This year was elected president of Lions Club by acclamation.
9. Is a member of the executive of St. Albert Chamber of Commerce.
10. Is chairman of Board of Stewards, United Church and a member of the separate School Board.
11. Has been a councillor and then a member of the Board of Administrators for nine years.

Record while on the Town Council and Board:

1. Participated in establishing first town planning board.
2. As delegate to the Northwestern Utilities to acquire natural gas for St. Albert.
3. On Committee to bring water and sewer for the town, get the four lane highway and on delegation to Provincial Planning and Utilities Commissioners to secure finances for town devel-

opment.  
UNPUBLISHED  
to organizational meeting of the Edmonton District Development Association.

### Plans For The Future:

To continue orderly development of the town, encourage industry and maintain taxation as low as possible compatible with good town government.

Home mail delivery should be sought as soon as the necessary number of homes are reached. A hospital is a necessity and steps should be taken immediately to work for its establishment at the earliest date possible. In the field of recreation, the Government grant of \$22,000.00 should be applied for immediately and further plans made for a proper recreational set-up. The possibility of a branch of the Y.M.C.A. has already been investigated. The question of a swimming pool should be further considered. Finally, harmony in the council and understanding between council and the town people are of the prime importance and should be preserved diligently. Further, this candidate assures us that in all his years on the town council, he has always made it his policy to consider the interests of the town as a whole rather than those of a locality or group. Prejudice because of nationality, creed or section of the town could not be tolerated in deciding town issues.

Final appeal to the voters of St. Albert.

Usually two councillors are elected each year, so that there are always some councillors continuing who have had experience in town administration. Because of the recent order-in-council changing town status in St. Albert, all six councillors have to be elected in the forthcoming election. Because of these peculiar circumstances we urge that experience of the candidates be considered as the major factor in the choice of councillors at this time. As Dr. Cuts is apparently the only candidate with appreciable experience qualifications in addition to wide interest in community services, we urge all electors to vote for him for one of the councillors.

This appeal is made by the electors whose names appear below. This includes members of the Civic Electors Association as well as voters at large.
